Hello Everyone,

We have enclosed an application for you and/or your group for our Zillah Community Days Parade this year. We are anticipating a great turn-out.

**WE HAVE CHANGED OUR PARADE ROUTE LAST YEAR**

Not to worry, the beginning point is in the same location as prior years, down at the Cemetery field. The Parade Route will now be on First Avenue (only) as shown on the map below.

**NEW PARADE ROUTE**

This change was made in an effort to provide safety to everyone involved. The prior route was very challenging to navigate after the parade and this route will be much simpler since both points are easily accessible on both the west and east ends of town.

**Entry will be the same place by the Zillah Cemetery. Please drop off your participants and then park your Vehicle/Float Trucks at the Exit point on the map. We do not want participants going back through town after the parade for safety purposes.**

**The Exit point of the parade will be near Meade Drive on First Avenue. You will be able to park your vehicles and Float Trucks in the area's listed below for pick-up of the participants after the parade:**

- El Ranchito Parking Lot**
- Avalanche Distributing Parking Lot and field behind Avalanche**
- Stadelmans Parking Lot**
