Friends of the Teapot Association

Philosophy

Friends of the Teapot Association is committed to historic preservation and community service through education and resource acquiring methods.

Friends of the Teapot Association believes that treasuring and respect for the past leads to a brighter future. The rehabilitation of the Teapot Dome Gas Station is just the start of our mission.

Teapot Dome Gas Station

One of the main projects which the Association is involved in.

WHO WE ARE and WHAT WE DO

We are exclusively for charitable purposes.

- To provide historical renovation and ongoing maintenance of the Teapot structure which is listed on the National Historic Registry as an endangered building.
- To make resources and educational services available that will advance historical identity; support historical preservation; and promote community wide development, improvement, and service.
- To further education efforts by bringing together people who share similar interests for the purpose of mutual support, fellowship, and the exchange of information.
- To disseminate information and to promote goodwill between the Friends of the Teapot Association and the local, regional, and national public.

First Project

The National Historic site of the TEAPOT DOME GAS STATION is in need of a new home and some rehabilitation. Friends of the Teapot Association would like to purchase and relocate the structure into the downtown.

The Teapot has a heartfelt “Zillah” identity and it has been heartbreaking to see it deteriorate as it sits vacant. City of Zillah staff took it upon themselves last year to start investigating what they could do to bring the Teapot into the city to use as a Visitor/Tourism Center.

Friends of the Teapot Association think it would be beneficial to the building itself as well as to the City to place the Teapot in a location that it would be visible and accessible to the public. There, the Teapot could be watched and cared for in a way that respects the history and artistry for which it represents.

Any Donations can be made to Key Bank in care of Friends of the Teapot Association. For information , please call 509-829-5151 or 509-829-5200
