VERY
IMPORTANT

I understand that the City of Zillah will recommend funding for those events or organizations that have a long-term benefit to the community as related to tourism. Some events will not be funded because they do not directly affect the current focus but should be kept in mind for future funding as plans and other factors provide opportunity. I am willing to coordinate my event with the City of Zillah in order to assist with increasing hotel/motel money available.

I understand that the City of Zillah may request additional information not listed above. I also understand that the City of Zillah will not process my reimbursement request if all information is not provided. I further understand that upon completion of my event, I am required to submit an end of event report no later than 30 days after completion of my event.
